Sli Eile Support Services Company Limited by Guarantee  
(A Company Limited by Guarantee and not having Share Capital)

Directors responsibilities statement

These abridged financial statements have been extracted, pursuant to section 353 of the Companies Act 2014, from the statutory financial statements prepared under section 290 of that Act. The following is the Directors Responsibilities Statement accompanying those financial statements.

The directors are responsible for preparing the directors report and the financial statements in accordance with applicable Irish law and regulations.

Irish company law requires the directors to prepare financial statements for each financial year. Under the law, the directors have elected to prepare the financial statements in accordance with the Companies Act 2014 and FRS 102 "The Financial Reporting Standard applicable in the UK and Republic of Ireland" issued by the Financial Reporting Council. Under company law, the directors must not approve the financial statements unless they are satisfied that they give a true and fair view of the assets, liabilities and financial position of the company as at the financial year end date and of the profit or loss of the company for the financial year and otherwise comply with the Companies Act 2014.

In preparing these financial statements, the directors are required to:

- select suitable accounting policies and then apply them consistently;
- make judgments and accounting estimates that are reasonable and prudent;
- state whether the financial statements have been prepared in accordance with applicable accounting standards, identify those standards, and note the effect and the reasons for any material departure from those standards; and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the company will continue in business.

The directors are responsible for ensuring that the company keeps or causes to be kept adequate accounting records which correctly explain and record the transactions of the company, enable at any time the assets, liabilities, financial position and profit or loss of the company to be determined with reasonable accuracy, enable them to ensure that the financial statements and directors report comply with the Companies Act 2014 and enable the financial statements to be audited. They are also responsible for safeguarding the assets of the company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

The directors are responsible for the maintenance and integrity of the corporate and financial information included on the company's website. Legislation in the Republic of Ireland governing the preparation and dissemination of financial statements may differ from legislation in other jurisdictions.

pursuant to section 356 of the Companies Act 2014

We have examined:

- (i) the abridged financial statements for the year ended 31 December 2020 on pages 7 to 15, which the directors of Sli Eile Support Services Company Limited by Guarantee propose to annex to the annual return of the company; and
- (ii) the financial statements to be laid before the Annual General Meeting, which form the basis for those abridged financial statements.

Respective responsibilities of directors and auditors

It is your responsibility to prepare abridged financial statements which comply with the Companies Act 2014. It is our responsibility to form an independent opinion that the directors are entitled under section 352 of the Companies Act

## Independent auditor's special report to Sli Eile Support Services Company Limited by Guarantee

2014 to annex abridged financial statements to the annual return of the company and that those abridged financial statements have been properly prepared pursuant to section 353 of that Act and to report our opinion to you.

This report is made solely to the company's directors as a body, in accordance with section 356 of the Companies Act 2014. Our work has been undertaken so that we might state to the company's directors those matters we are required to state to them under section 356 of the Companies Act 2014 and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the company and the company's directors as a body, for our work, for this report, or for the opinion we have formed.

### Basis of opinion

We have carried out the procedures we consider necessary to confirm, by reference to the financial statements, that the company is entitled to annex abridged financial statements to the annual return of the company and that the abridged financial statements are properly prepared. The scope of our work for the purpose of this report does not include examining or dealing with events after the date of our report on the full financial statements.

### Opinion

In our opinion, the directors are entitled under section 352 of the Companies Act 2014 to annex to the annual return of the company, abridged financial statements and those abridged financial statements have been properly prepared pursuant to the provisions of section 353 of that Act.

### Other information

On 2 December 2021 we reported, as auditor of Sli Eile Support Services Company Limited by Guarantee, to the members on the company's financial statements for the year ended 31 December 2020 and our report was as follows:

"Independent auditor's report to the members of Sli Eile Support Services Company Limited by Guarantee

### Report on the audit of the financial statements

#### Opinion

We have audited the financial statements of Sli Eile Support Services Company Limited by Guarantee (the 'company') for the financial year ended 31 December 2020 which comprise the profit and loss account, statement of income and retained earnings, balance sheet and notes to the financial statements, including a summary of significant accounting policies set out in note 1. The financial reporting framework that has been applied in their preparation is Irish law and FRS 102 The Financial Reporting Standard applicable in the UK and Republic of Ireland.

In our opinion, the financial statements:

- give a true and fair view of the assets, liabilities and financial position of the company as at 31 December 2020 and of its loss for the financial year then ended;
- have been properly prepared in accordance with FRS 102 The Financial Reporting Standard applicable in the UK and Republic of Ireland; and
- have been prepared in accordance with the requirements of the Companies Act 2014.

#### Basis for opinion

We conducted our audit in accordance with International Standards on Auditing (Ireland) (ISAs (Ireland)) and applicable law. Our responsibilities under those standards are further described in the auditor's responsibilities for the audit of the financial statements section of our report. We are independent of the company in accordance with the ethical requirements that are relevant to our audit of the financial statements in Ireland, including the Ethical Standard issued by the Irish Auditing and Accounting Supervisory Authority (IAASA), and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

#### Conclusions relating to going concern

We have nothing to report in respect of the following matters in relation to which ISAs (Ireland) require us to report to you where:

Independent auditor's special report to Sli Eile Support Services Company Limited by Guarantee pursuant to section 356 of the Companies Act 2014 (continued)

- the directors' use of the going concern basis of accounting in the preparation of the financial statements is not appropriate; or
- the directors have not disclosed in the financial statements any identified material uncertainties that may cast significant doubt about the company's ability to continue to adopt the going concern basis of accounting for a period of at least twelve months from the date when the financial statements are authorised for issue.

Other Information

The directors are responsible for the other information. The other information comprises the information included in the annual report, other than the financial statements and our auditor's report thereon. Our opinion on the financial statements does not cover the other information and, except to the extent otherwise explicitly stated in our report, we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether there is a material misstatement in the financial statements or a material misstatement of the other information. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact.

We have nothing to report in this regard.

Independent auditor's special report to Sli Eile Support Services Company Limited by Guarantee pursuant to section 356 of the Companies Act 2014 (continued)

Opinions on other matters prescribed by the Companies Act 2014

Based solely on the work undertaken in the course of the audit, we report that:

- in our opinion, the information given in the directors' report is consistent with the financial statements; and
- in our opinion, the directors' report has been prepared in accordance with applicable legal requirements.

We have obtained all the information and explanations which we consider necessary for the purposes of our audit.

In our opinion the accounting records of the company were sufficient to permit the financial statements to be readily and properly audited, and financial statements are in agreement with the accounting records.

Matters on which we are required to report by exception

Based on the knowledge and understanding of the company and its environment obtained in the course of the audit, we have not identified material misstatements in the directors' report.

The Companies Act 2014 requires us to report to you if, in our opinion, the disclosures of directors' remuneration and transactions required by sections 305 to 312 of the Act are not made. We have nothing to report in this regard.

Respective responsibilities

Responsibilities of directors for the financial statements

As explained more fully in the directors' responsibilities statement, the directors are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view, and for such internal control as the directors determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the directors are responsible for assessing the company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the management either intends to liquidate the company or to cease operations, or has no realistic alternative but to do so.

Auditor's responsibilities for the audit of the financial statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (Ireland) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

Independent auditor's special report to Sli Eile Support Services Company Limited by Guarantee pursuant to section 356 of the Companies Act 2014 (continued)

As part of an audit in accordance with ISAs (Ireland), we exercise professional judgment and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the directors.
- Conclude on the appropriateness of the directors' use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

The purpose of our audit work and to whom we owe our responsibilities

Our report is made solely to the company's members, as a body, in accordance with section 391 of the Companies Act 2014. Our audit work has been undertaken so that we might state to the company's members those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the company and the company's members, as a body, for our audit work, for this report, or for the opinions we have formed.

Conclusions relating to going concern

In auditing the financial statements, we have concluded that the directors' use of the going concern basis of accounting in the preparation of the financial statements is appropriate.

Based on the work we have performed, we have not identified any material uncertainties relating to events or conditions that, individually or collectively, may cast significant doubt on the Group's or the Company's ability to

Independent auditor's special report to Sli Eile Support Services Company Limited by Guarantee pursuant to section  
356 of the Companies Act 2014 (continued)

continue as a going concern for a period of at least twelve months from the date when the financial statements are  
authorised for issue.

Sli Eile Support Services Company Limited by Guarantee (A Company  
Limited by Guarantee and not having Share Capital)

We, as directors of Sli Eile Support Services Company Limited by Guarantee state that the company has relied on the specified exemption contained in section 352 of the Companies Act 2014; the company has done so on the grounds that it is entitled to the benefit of that exemption as a small company and confirm that the abridged financial statements have been properly prepared in accordance with section 353 of the Companies Act 2014.

The notes on pages 9 to 15 form part of these abridged financial statements.  
Balance sheet (continued)

Daly

Director

The notes on pages 9 to 15 form part of these abridged financial statements.  
Notes to the abridged financial statements  
Financial year ended 31 December 2020

1. Accounting policies and measurement bases

Basis of preparation

The financial statements have been prepared on going concern basis, as modified by the revaluation of certain financial assets and liabilities and investment properties measured at fair value through profit or loss.

The financial statements are prepared in Euro, which is the functional currency of the entity.

Turnover

Turnover is measured at the fair value of the consideration received or receivable for goods supplied and services rendered, net of discounts and Value Added Tax.

Revenue from the sale of goods is recognised when the significant risks and rewards of ownership have transferred to the buyer, usually on despatch of the goods; the amount of revenue can be measured reliably; it is probable that the associated economic benefits will flow to the entity and the costs incurred or to be incurred in respect of the transactions can be measured reliably.

Sli Eile Support Services Company Limited by Guarantee (A Company  
Limited by Guarantee and not having Share Capital)

Taxation

As a company limited by guarantee, the company is exempt from paying Corporation Tax. The company is also exempt from paying Value added tax because they trade below the minimum threshold. However PAYE is paid as normal

Tangible assets

Tangible assets are initially recorded at cost, and are subsequently stated at cost less any accumulated depreciation and impairment losses.

Any tangible assets carried at revalued amounts are recorded at the fair value at the date of revaluation less any subsequent accumulated depreciation and subsequent accumulated impairment losses.

An increase in the carrying amount of an asset as a result of a revaluation, is recognised in other comprehensive income and accumulated in capital and reserves, except to the extent it reverses a revaluation decrease of the same asset previously recognised in profit or loss. A decrease in the carrying amount of an asset as a result of revaluation is recognised in other comprehensive income to the extent of any previously recognised revaluation increase accumulated in capital and reserves in respect of that asset. Where a revaluation decrease exceeds the accumulated revaluation gains accumulated in capital and reserves in respect of that asset, the excess shall be recognised in profit or loss.

Sli Eile Support Services Company Limited by Guarantee  
(A Company Limited by Guarantee and not having Share Capital)

Notes to the abridged financial statements (continued)  
Financial year ended 31 December 2020

#### Depreciation

Depreciation is calculated so as to write off the cost or valuation of an asset, less its residual value, over the useful economic life of that asset as follows:

Fittings fixtures and equipment	- 10%	reducing balance
Biological Assets	-	We do not depreciate biological assets as per company policy

If there is an indication that there has been a significant change in depreciation rate, useful life or residual value of tangible assets, the depreciation is revised prospectively to reflect the new estimates.

#### Impairment

A review for indicators of impairment is carried out at each reporting date, with the recoverable amount being estimated where such indicators exist. Where the carrying value exceeds the recoverable amount, the asset is impaired accordingly. Prior impairments are also reviewed for possible reversal at each reporting date.

When it is not possible to estimate the recoverable amount of an individual asset, an estimate is made of the recoverable amount of the cash-generating unit to which the asset belongs. The cash-generating unit is the smallest identifiable group of assets that includes the asset and generates cash inflows that are largely independent of the cash inflows from other assets or groups of assets.

#### Stocks

Stocks are measured at the lower of cost and estimated selling price less costs to complete and sell. Cost includes all costs of purchase, costs of conversion and other costs incurred in bringing the stocks to their present location and condition.

#### Government grants

Government grants includes HSE grants and DAFM grants. These are recognised at the fair value of the asset received or receivable. Grants are not recognised until there is reasonable assurance that the company will comply with the conditions attaching to them and the grants will be received. The company has complied with Circular 13/2016

Government grants are recognised using the accrual model and the performance model.

Under the accrual model, government grants relating to revenue are recognised on a systematic basis over the periods in which the company recognises the related costs for which the grant is intended to compensate. Grants that are receivable as compensation for expenses or losses already incurred or for the purpose of giving immediate financial support to the entity with no future related costs are recognised in income in the period in which it becomes receivable.

Grants relating to assets are recognised in income on a systematic basis over the expected useful life of the asset. Where part of a grant relating to an asset is deferred, it is recognised as deferred income and not deducted from the carrying amount of the asset.

Under the performance model, where the grant does not impose specified future performance-related conditions on the recipient, it is recognised in income when the grant proceeds are received or receivable. Where the grant does impose specified future performance-related conditions on the recipient, it is recognised in income only

Sli Eile Support Services Company Limited by Guarantee  
(A Company Limited by Guarantee and not having Share Capital)

Notes to the abridged financial statements (continued)  
Financial year ended 31 December 2020

when the performance-related conditions have been met. Where grants received are prior to satisfying the revenue recognition criteria, they are recognised as a liability.

#### Construction contracts

Where the outcome of construction contracts can be reliably estimated, contract revenue and contract costs are recognised by reference to the stage of completion of the contract activity as at the financial year end.

Where the outcome of construction contracts cannot be estimated reliably, revenue is recognised to the extent of contract costs incurred that it is probable will be recoverable, and contract costs are recognised as an expense in the period in which they are incurred.

The entity uses the percentage of completion method to determine the amounts to be recognised in the period. The stage of completion is measured by reference to the contract costs incurred up to the end of the reporting period as a percentage of total estimated costs for each contract. Costs incurred for work performed to date do not include costs relating to future activity, such as for materials or prepayments.

#### Financial instruments

A financial asset or a financial liability is recognised only when the company becomes a party to the contractual provisions of the instrument.

Basic financial instruments are initially recognised at the transaction price, unless the arrangement constitutes a financing transaction, where it is recognised at the present value of the future payments discounted at a market rate of interest for a similar debt instrument.

Debt instruments are subsequently measured at amortised cost.

Where investments in non-convertible preference shares and non-puttable ordinary shares or preference shares are publicly traded or their fair value can otherwise be measured reliably, the investment is subsequently measured at fair value with changes in fair value recognised in profit or loss. All other such investments are subsequently measured at cost less impairment.

Other financial instruments, including derivatives, are initially recognised at fair value, unless payment for an asset is deferred beyond normal business terms or financed at a rate of interest that is not a market rate, in which case the asset is measured at the present value of the future payments discounted at a market rate of interest for a similar debt instrument.

Other financial instruments are subsequently measured at fair value, with any changes recognised in profit or loss, with the exception of hedging instruments in a designated hedging relationship.

Financial assets that are measured at cost or amortised cost are reviewed for objective evidence of impairment at the end of each reporting date. If there is objective evidence of impairment, an impairment loss is recognised in profit or loss immediately.

For all equity instruments regardless of significance, and other financial assets that are individually significant, these are assessed individually for impairment. Other financial assets are either assessed individually or grouped on the basis of similar credit risk characteristics.

Sli Eile Support Services Company Limited by Guarantee  
(A Company Limited by Guarantee and not having Share Capital)

Notes to the abridged financial statements (continued)  
Financial year ended 31 December 2020

Any reversals of impairment are recognised in profit or loss immediately, to the extent that the reversal does not result in a carrying amount of the financial asset that exceeds what the carrying amount would have been had the impairment not previously been recognised.

#### Defined contribution plans

Contributions to defined contribution plans are recognised as an expense in the period in which the related service is provided. Prepaid contributions are recognised as an asset to the extent that the prepayment will lead to a reduction in future payments or a cash refund.

When contributions are not expected to be settled wholly within 12 months of the end of the reporting date in which the employees render the related service, the liability is measured on a discounted present value basis. The unwinding of the discount is recognised in finance costs in profit or loss in the period in which it arises.

#### Going Concern

Due to development of services and regulation costs there has been a shortfall in funding received. The directors are tackling this issue in the coming year, initially with the recruitment of an experienced, dynamic Chief Executive Officer. The directors are confident that they will reverse this loss making situation before it impedes on cash resources held.

#### Critical Estimates and Judgements

There were no critical estimates or judgements used in the audit

#### Post Balance Sheet Events

There were no adjusting post balance events affecting these accounts.

#### Taxation

As a company limited by guarantee, company does not pay corporation tax. The company is also exempt from paying VAT because they are below the threshold. The company is registered for payroll taxes.

#### Covid 19

The company has taken all the necessary precautions to protect associated parties from the effects of Covid 19. It is not expected that Covid 19 will have an adverse impact on the business of the company

#### 2. Limited by guarantee

The company is incorporated under the Companies Act 2014 limited by guarantee and not having a share capital. The company is exempt from corporation tax.

#### 3. Staff costs

The average number of persons employed by the company during the financial year, including the directors was 7 (2019: -).

The aggregate payroll costs incurred during the financial year were:
